**1/26, 1/29, & 2/1**—Please reserve these days for **Interview Days!** The faculty expects all current students to attend, so please save these dates now! The Dean’s Doctoral Scholars interviews will take place on January 26th.

**5/27**—Save the date for the CASP Spring Conference featuring Todd Savage, PhD and President of NASP. More information to come!

## Symposia, Talk, and Fellowship Opportunities

- ⇒ The International Society for Ayurveda and Health will be taking place on May 6-8, 2015 at UCONN Health in Farmington, CT. They are calling for abstract submissions by November 30th. More details can be found [here](#).
- ⇒ Jennifer Kowitt, a doctoral student in the special education department, is teaching an undergraduate class to education majors and some of her students have expressed an interest in learning about school psychology. Her class meets on Tuesdays from 12:30-3, though the students would be willing to find another time to meet if that didn't work. Jen is hoping that an advanced school psychology student would be interested in coming to speak for about 45 minutes, including Q & A. This is a great opportunity to get some presentation experience and to add a talk to your CV! Students who are interested should contact her directly at: [jennifer.kowitt@uconn.edu](mailto:jennifer.kowitt@uconn.edu).
- ⇒ The APA Minority Fellowship Program is looking for terminal master's students looking to work with transitional ethnic youth from ages 16-25. Applications will be accepted until January 15th! Benefits include a stipend, travel support, training, and one-year APA membership. Please visit the [STAY Program website](#) for more information.

## ALUMNI PRIDE!

- ⇒ Scott McCarthy, PhD and 2014 graduate, has been appointed as the Program Director for Special Education and Student Services in Darien Public Schools.
- ⇒ Stephen Kligus, PhD and 2011 graduate, has been awarded Journal of School Psychology Article of the Year for 2014 in his work as first author on curriculum-based measurement of oral reading.
- ⇒ Congratulations to our outstanding program alumni!
