Student Housekeeping Upcoming Dates

- We are currently looking for a missing KTEA-3, a WIAT, and a WJ-IV Achievement. If you have borrowed them, please contact me so they can be returned to the test cabinets as soon as possible.
 - Please keep in mind the timeline for the program. Second year students should be aware of internship paperwork.
 - Please regard the [NASP website](#) for a list of current approved position statements on various topics addressed within the field. Also, pay special attention to the Crosswalk document outlining how NASP's position statements relate to our graduate coursework, outlined and submitted by our own [Ashley Boyle](#)! This helpful tool should be a guide in applying NASP standards and expectations to your coursework and future career.
 - Please make sure your contact information is listed correctly in your StudentAdmin account as UConn will need it for processing official documents and certifications.
- **FUN FACT: Wednesday, March 2, 2016** is Spread the Word to End the Word. This is a national campaign aimed at ending the colloquial and hurtful use of the word “retard (ed)” as an effort to increase person-first language. See www.r-word.org for more!
 - The next CASP Meeting will take place on **Wednesday, 4/6 at 6 PM** at Cheney Technical High School in Manchester.
 - **5/12—9 AM to 1:30 PM** will be the CBER Research Symposium. Please contact Ashley Boyle or see previous newsletters for more information.
