

Week of December 13th

School Psychology Newsletter

Student Housekeeping

First Year Students

All first year students need to apply for the sixth-year certificate program and for graduation from the current Master's program. More information is provided in the timeline document.

Online GA Training Due January 20th

2-4 hour training is required for all GA students through HuskyCT. Click on the Graduate Assistant Program for Teaching and Instruction course when you enter HuskyCT to complete.

If you completed this training last year or before, you do not have to take it again.

GA Compliance Training

30-minute online training required for all students with GAs (different from training above). Access through <http://hr.uconn.edu/learningatwork>

Related Events

- **December 14th - Graduate Student End of Semester Gathering**
4-6 pm. There will be food!
RSVP https://uconn.co1.qualtrics.com/SE/?SID=SV_7OQVBTY0fWRVEs|>

Resources

Download UConn Licensed Software

Available to all faculty, staff, and students, this service delivers access to UConn licensed software application from any device with a network connection. Software includes SPSS, SAS, Microsoft Office, etc.

Go to anyware.uconn.edu to download.

Practicum Opportunities

Practicum placement available at Granby Memorial High School with a supervisor who holds Professional Level Certification in CT and MA and who is also independently licensed as an Educational Psychologist in MA.

Granby Memorial is interested in starting to investigate some PBIS work and implement Strong Teens. Practicum students can help in potentially starting up those interventions, along with in-depth psychological evaluations linked to transition planning for Secondary Students. There is also plenty of counseling, direct service, and behavior planning opportunities at this site.

Contact Dr. Bray if you are interested and she will help you contact the school, as it will be the first time this site will supervise a student from our program.

Employment Opportunities

Stamford Public Schools is looking for temporary classroom assistants to start mid-December and work until mid-January. This opportunity is best suited to students in Fairfield County. More information on the job and the application is attached.

Internship Opportunities

North Colonie Central School District

Internship available at North Colonie Central in a diverse Kindergarten to 6th grade building and either a middle or high school. This internship gives doctoral students hours under a licensed psychologist iff they wish to apply for licensure. For more information, email Andrew Petsche at andrewpetsche@ncolonie.org

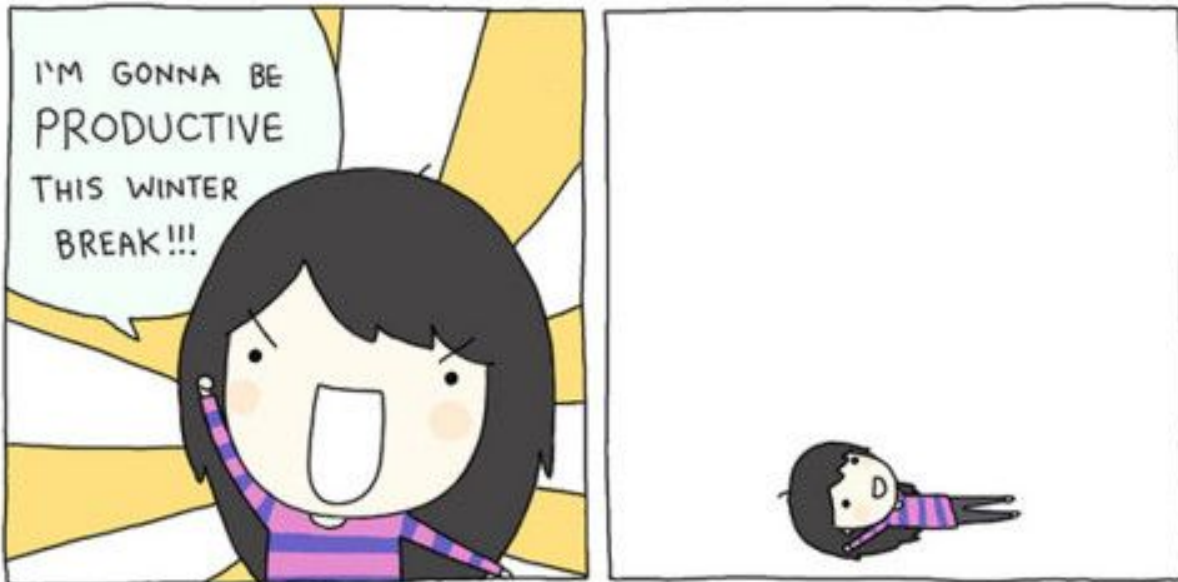

Waterbury Public Schools

Waterbury is accepting internship applications for 2017-2018. Contact Kathy Vallone (special services director) Vallone@waterfordschools.org if interested.

Glastonbury Public Schools

Glastonbury is accepting internship applications for 2017-2018. If interested, email Louise Sikernitsky sikernitskyl@glastonburyus.org (secretary to the assistant principal).

Happy winter break!
