

Week of February 28nd

School Psychology Newsletter

Program Activities

Fingerprinting

If anyone needs to get or renew fingerprinting, EastConn is coming to campus on April 11th and 12th from 9am-4pm in Gentry 144. All students are eligible for fingerprinting, which is \$48.

New students: you will need to be fingerprinted before you start practicum next year, so if you are already on campus, this is a good opportunity to get it done!

Praxis II Update for Upper-Level Students

When you receive your score report after taking and passing the Praxis II, please print out your score report and leave a copy in Dr. Bray's mailbox to be filed, even if you had your scores sent to UConn.

Resources

APA Membership

Division 16 (School Psychology) <http://apadivision16.org/membership/> of the American Psychological Association is currently offering special enrollment rates for new members in 2017 (\$5 for students and

International Affiliates, \$20 for Members, Associate Members, and Professional Affiliates).

Students and professors are eligible for membership.

Getting the Most out of NASP

The SSSP Early Career has a new blog post Dr. Leandra Parris, [Work Hard, Play Hard, Be Mindful: Getting the Most Out of NASP as an Early Career Professional](#). This is a great read for anyone attending NASP!

NASP- Thriving in Graduate School

The NASP Jan/Feb issue of Communiqué has a good article on thriving in graduate school. If you are a NASP member, click [here](#) to read it! **The link does not work for non-NASP members.**

Internship Opportunities

East Hartford Public Schools

East Hartford is looking for an intern for the 2017-2018 school year. If interested, please contact Dr. Scott Edington (school psychology supervisor) at edington.s@easthartford.org

Have a great week!
