

Week of April 5th

School Psychology Newsletter

Program Information

Practicum 4/6

During Practicum on Thursday, April 6th (Gentry 201, 2:30-5:00), Dr. Michael Powers will be coming from the Center for Children with Special Needs in Glastonbury to provide students with information about the Center. All students are **strongly encouraged** to attend.

CBT Training

Dr. Amy Gaesser of Purdue University will be here on **April 13th** to give a two-hour training on the fundamentals of Cognitive Behavioral Therapy (CBT)

10:30am-12:30pm in the Student Union, Room 324

Practicum Hours

All students enrolled in practicum need to submit their hours, signed by their supervisor, by mid-June.

Q-Global

Students using Q-Global should use the WISC-V score report and not the WISC-V interpretive reports.

Program Activities

Graduate Student Appreciation Week

April 2-8 is Graduate Student Appreciation Week! There are many talks and activities planned. Visit [here](#) for more information!

Fingerprinting

If anyone needs to get or renew fingerprinting, EastConn is coming to campus on **April 11th and 12th from 9am-4pm in Gentry 144**. All students are eligible for fingerprinting, which is \$48.

New students: you will need to be fingerprinted before you start practicum next year, so if you are already on campus, this is a good opportunity to get it done!

Program News

ASMR Interview

Marisa Del Campo, a UConn school psychology alumna did an interview with U.S. News and World Report on her ASMR research. Click [here](#) to read her manuscript!

Professional Development

Blog on Publishing Research in School Psychology

The SSSP Early Forum released the blog post “Where Should I Send My Manuscript?: Journal Options for Research in School Psychology” with good information on publishing research.

Click [here](#) to read!

2017 SASP Student Research Forum (SRF)

SASP is holding a student research forum during the 125th annual APA Convention on Saturday, August 5th, from 8-9:50 am in Washington D.C. This provides a great opportunity for networking and digital poster presentations.

All current school psychology graduate students are eligible to submit proposals for poster presentations and the deadline for applications is **May 26th, 2017, at 11:59 pm EST.**

For more information, go [here](#).

GA Opportunities

The Center for Students with Disabilities

The Center for Students with Disabilities is looking to hire two or three 20 hour GA's for the '17-'18 academic year. For more information, please see the attached flyer and contact Christine Wenzel at christine.wenzel@uconn.edu

Job Opportunities

Research Assistant Position

Jennifer Kowitt is looking for a research assistant to help with data collection for her dissertation study. The position may be of particular interest to students who are interested in working with high school/transition-age students, social skills instruction, ABA, Autism Spectrum Disorders, and single subject design.

Students will assist with data collection at schools. Specifically, video record (on an iPad) interactions between an education provider and a student.

The salary is \$15/hour and gas can be reimbursed for \$0.54/mile for visiting participating schools. **This is not a GA position.**

For anyone interested, please contact her at jennifer.kowitt@uconn.edu

Canterbury Public Schools

Canterbury is looking for a new school psychologist starting next year. For more information, please see the attached flyer and go [here](#).

Internship Opportunities

Rural Vermont Consortium of the Precision Valley

The Rural Vermont Consortium of the Precision Valley (RVCPV) still has one slot open for an internship for the 2017-2018 school year. Interns train at a school district and in a Federally Qualified Health Center/integrated primary care system. Full description and application info attached.

Tolland Public Schools

Tolland is interested in an intern for next year. Please contact Patricia Mace (pmace@tolland.k12.ct.us) if interested.

East Hampton

East Hampton is still looking for an an intern for 2017-2018 in a PK-Third Grade site with a comprehensive Autism program. Contact with other grade

levels is also possible. Interns would have a PhD level certified School Psychologist as a supervisor.

If interested, contact Dr. Kristie Fresco-Hawes at KFresco-Hawes@easthamptonct.org

Practicum Opportunities

Hartford Public Schools

FYI to everyone interested in doing practicum in Hartford, you will need go through the Office of Talent Management (OTM) (basically HR) to be approved before you can begin work. This affect students working with or interested in working with Bryndis Andrade, and possibly other supervisors in Hartford.

There is more information in the attached flyer.

Tolland Public Schools

Tolland is interested in a practicum student for next year. Please contact Patricia Mace (pmace@tolland.k12.ct.us) if interested.

Glastonbury Public Schools

Students interested in going to Glastonbury for practicum next year should contact Anita Russell (russella@glastonburyus.org) Mary Holzer (holzerm@glastonburyus.org) (both school psychologists).

Postdoctoral Opportunities

Tulane University

Drs. Stacy Overstreet and Courtney Baker in the Department of Psychology at Tulane University (New Orleans, LA) invite applications for a full-time, one- or two-year postdoctoral research fellow to coordinate evaluation of a federally-funded experimental trial examining implementation strategies for trauma-informed approaches in six New Orleans K-8 public charter schools.

The project is supported by a four-year grant from the National Institute of Justice and has just completed its baseline year of data collection.

For more information, please see the attached flyer.

Have a great week!
